Acute Medical Assessment Unit
(AMAU) Acute Medical Short Stay
Unit (AMSSU)
ED & Specialty Medicine Directorate
Mater Misericordiae University Hospital

Welcome

Acute Medicine's primary function is the timely management of adults patient with a wide range of acute Medical conditions. It is comprised of our AMAU AMSSU.

The **AMAU** is a 5 day unit which sees Medical referrals from the ED, GP referrals and potential Medical admits direct from Triage. It is a busy unit seeing a wide variety of conditions and looking after patients in a timely manner. We are closely aligned with the Emergency Department. We are actively involved in the Unscheduled Care General Internal Medicine on-call process change which sees right patient to the right place. This is led out by the Hospitals Transformation team.
