Outpatients Department

(Post Acute Care Services)

Mater Misericordiae University Hospital

Welcome

The MMUH Outpatient Department is open 5 days a week Monday – Friday. We provide nursing cover to 60 clinics per week and more than 20 different specialties. Patients are referred through a number of pathways and attend from all over the country.

The Outpatients Department is housed in a purpose built facility in the Whitty Building. The Department is airy and bright providing private consulting rooms and also has a state of the art Decontamination Unit. Our staff feedback suggests that the working environment stimulates **positivity** and enthusiasm. We work as part of a Multi-Disciplinary Team and with a variety of different Consultants. We aim to provide high quality, holistic, evidence based patient care in a safe, patient centered environment. We have a strong emphasis on **quality** and **safety**.

Nurses are rostered across a variety of clinics ensuring that they acquire and maintain different competencies and skills. The atmosphere is dynamic and we welcome innovation.

Opportunities

Emphasis on Continuing Professional Development.

Opportunity to attend Conferences and Study Days

Opportunity to get involved in hospital committees and Quality Improvement Initiatives

Coaching and mentoring provided by Senior Staff Nurses

Projects / Research / Lean

Ongoing projects to improve patient experience and quality of care delivered such as development of 'Patient Experience Survey OPD' and participate in the redesign of the 'Wound Assessment Chart'. Lean course applications supported.
