## Cancer & Surgery Directorate

### Mater Misericordiae University Hospital

# Welcome

**St Monica's Ward** is an acute surgical ward with a primary focus on colorectal, hepatobiliary, gynaecology surgeries.

St Monica's ward manages patients undergoing HIPEC surgery. MMUH is the only centre for HIPEC surgery in Ireland.

Care given is evidence-based, focusing on the needs of the patient and their family.

As a 31 bed acute surgical ward, the ward is comprised of 4 six bedded wards, 1 two bed ward and 5 single rooms.

# Opportunities

- Post graduate diploma in colorectal nursing
- Post graduate diploma in pain management
- Post graduate diploma in leadership & management
- Clinical professional Development course in Developing Acute Pain Champions
- Wound Management Study days.
- Opportunities to attend seminars and study days relevant to our specialist areas.
- Opportunities for career development
